Dear Aubrey —

With your association with major rarities I would like your help on a minor common token. In my collection is a trade token which reads

MORITZ MEYER
CIGAR CO.
1322
FARNAM ST.

GOOD FOR
6¼¢
IN TRADE.

The only Farnam St. I can find is Omaha. Would you be able to ask a library there which has city directories if this MEYER was where the address states and for what years his business was there. This will date the token and identify its city of issue.

I will be very grateful.

My kindest personal regards.

Excuse my longhand but my secretary is holidaying.

Eric
